「翼をください」

please give me wings

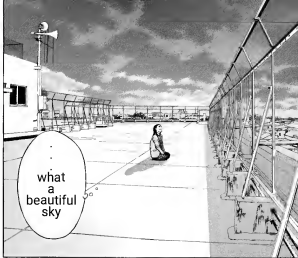

note: wakuwaku is a fun excitement

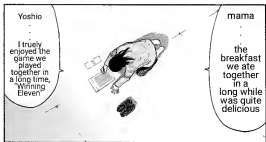

what
a
beautiful
sky

even-
though
the sky is
always
there
whenever
you look
upward

.....

now I think
about it
there haven't
been many
instances
during my
childhood
where I
looked up
to the sky
like this

sign: everyone pass

from
4th grade,
I was made
to go to the
famous
"Shuutani-
oosaki"
exam taking
cram school
almost
everyday

on the
day of the
entrance,
I was put
into "phase
formula"
cramming
school

because
of that,
although
I couldn't
get in to my
first choice
school,
"Kaichin
middle
school",

adding to
that, going to
the neigh-
borhood
gym class
day after day,
as
"relaxation"

I was able
to easily get
into my third
choice,
"Kaiin
Academy"

with that
being that,
it did have
a sense of
completion,
in a way...

C
S
W

she brought
up my
acceptance
during
gossips to
make them
smell the
victory

without
any
reason,
she made
phone calls
to her
parents
and other
mothers
her age

I still can't
forget
mama's face
filled with
happiness
that time

as a
Kaiin Academy
student
holding the will
of the highest
ranking,
I might have
been
earnestly
endeavoring
myself into
studying for
college
acceptance
exams

LAW

the me
right now has
fallen to the
bottom of
Teihen High,
which is
lowest of the
lowest schools

but if
that
hadn't
happened

well
I
have
to
get
going
now

and then
there's me
who can't
suppress
a little bit
of regret
when I
look back
like that

if my
wish
could be
granted
right now,
I desire
wings

birds

spread-
ing
my wings
to that
vast sky
diving

I want
to go
off
flying

it doesn't
matter
white or
black,
please
place wings
upon my
back

like a
bird

note: here he says 'kaze' which is a homonym for 'I want to live'

al-
though
I have
no
wings

·
i
want
to
go

to the
free sky
without
sadness

let my
wings
flutter

"Please Give Me Wings"

written by: Yamagami Michio
composed by: Murai Kunihiko
song group: Akatori (red bird)

I can
still
fly

Don't go
Furthest
Wings can't
fly into death
Please see

crash

shine

thanks
for the
food

that
was
delish

IT CAN'T
BE THAT
I UPSET
MY
STOMACH?

WITH
SOME-
THING
LIKE
THAT
!?

OW
OW
OW
OW
OW!

ouch!

Suddenly
my
stomach

aah!
what
a bad
timing

BANG
BANG
BANG

for it
to lose
to a
moldy
ham-
burger

this
can't be!
for my
stomach,
which I
have the
most
confidence
on in
my body

whee!
in the
restroom
restroom

what
should
I do
what
should
I do

they
are
all
full

the last
time I took
a dump at
the back
yard was
when I was
bullied
into doing it
during
middle
school
